

Deloitte Audit Student Academy

Case Studies Days

A lil' bite of Audit

Deloitte Audit Student Academy – Case Studies Days - December 14th

Deloitte Audit Student Academy Case Studies Days is a great fit for students who are looking to get a one-day real life experience within an audit company that can provide them with a concentrated set of insights and the palette of career opportunities in a diverse and dynamic field of activity.

Program benefits

During the day spend with Deloitte Audit team, you will:

- Participate in a mix of technical and soft skills modules designed to enhance the abilities you will need on the finance market facilitated by Deloitte experts
- Learn how to translate market and industry evolutions into audit risks and procedures
- Discover today's market challenges through interactive case studies under the guidance of audit experts
- Find out how a real-life audit is conducted through digital tools and professional expertise.
- Get a glimpse of a day-to-day experience of a junior auditor
- Students that will actively participate at DASA Case Studies Days will have a head start for our future internship and junior roles.
- Based on your performance and involvement in the program, you may receive a graduation certificate to boost your CV experience.
